“Working to make Cygnet a better place to live, work and visit”

SUMMARY OF JULY MEETING

04/07/2023 Committee Meeting

- **Defective lighting behind Town Hall**
Secretary will send email to GM (General Manager).
- **Cygnet new road to be reassessed by council**
This will be put on the agenda for special meeting with GM 1/8.
- **Get-together with Huon Valley community groups doing similar work to tCA**
This has now been postponed till after the LUDS (Land Use and Development Strategy) is done. Probably October.
- **Petition to widen Lymington Road from Burtons Reserve bridge to Cannery**
We have enough signatures to submit the petition to council asking them to put pressure on State Roads to do this work.
- **Banner system**
The banner system is in place. There are 4 at each end of town and one across the Town Hall. An email will be sent to various groups and an article put in the Classifieds to offer groups to make their own banners for events.
- **New memberships**
Three new memberships approved.
- **Sewing machines**
Concern that there is currently no place approved for the sewing machines. To be put on the agenda of meeting with GM 1/8.
- **Bus stop not suitable**
Concern that the current bus stop isn't sheltering from wind and rain, is often too small, and is badly lit. Reply from State Growth was that it is not their responsibility but council's. To be put on the agenda of meeting with GM 1/8.
- **AGM**
The date of our AGM will be 3rd October
