“Working to make Cygnet a better place to live, work and visit”

SUMMARY OF DECEMBER MEETING

05/12/2023 Committee Meeting

- ***Mary Street safety / New Street***

Acting General Manager Lachland Kraz has asked tCA for our preferred option on how to improve safety on Mary Street using the \$5million grant. A long discussion followed, with many options. A proposal will be put together with various ideas (including the new street), so costing can be obtained and community consultation started.

- ***Smith Family literacy program for the Huon Valley***

tCA would support the program and could help finding volunteers.

- ***Emergency services around Cygnet***

tCA is intending to look at this in further details in the new year.

- ***Indigenous artwork designs***

Discussion on possibility of getting a grant to buy artwork from a local indigenous artist, so it could be used on banners and other projects.

Next meeting: 6th February
